(DEPARTMENT OF GEOGRAPHY)

FIELD REPORT OF 5th SEM GEOGRAPHY (HONS) STUDENTS- 20021-22

Introduction:

Field trip in the subject of Geography is of vital importance. It helps in developing geographical concepts, elements and processes through direct personal experiences. It helps in understanding the correlation between humans and environment. It makes study of geography more interesting and supports application of knowledge. It helps in enhancing the understanding and sensitivity about the natural phenomena. The department of Geography this year 2022 conduct their Geographical Excursion from 1st to 9th November 2022. This year excursions destination was Manali Municipal Area under Kulu district of Himachal Pradesh. As a part of our Socio economic survey we visited this place and for better understanding the Himalayan Montanan System we also include some other places like Simla(The capital of Himachal),KULU district, Manikaran the natural hot spring of Himachal, Rotang Pass,Solang valley etc and gathered huge numbers of experience and knowledge from there.

Detail of Excursion

Our Journey started on 1st November and end on 9th November afternoon. We first went to Howrah Station from our college and took Howrah Amritshar Mail and arrived in Ambala on 3rd November early morning. Next by car we went to Simla and stay there entire day visit major offices and other administrative and natural places like Kufri valley, Apple orchards, eco tourism village of Kufri etc. On the next day we went to Manikaran hot spring visiting Kulu district and collect information from there, at night we stay in hotel in Manali. On 5th November we do socio economic and unban environmental survey in Manali Municipality Areas. Next day on 6th November we explore Rotang pass, Solange valley Areas and after lunch we do River profiles in Beas River. Next day on 7th we go back to Kalka station and took train and 9th November we arrived to Howrah and come back to our home safely.

What we Learn

The entire excursions was very informative we learned so many things, we explored the beauty of Western Himalayan Region, we test the cultural flavor of traditional as well as modern Himachali people. We find out the scope and challenges of Manali Municipal Corporation in terms to provide best urban facilities as well as urban municipal waste management not only to its 8000 city dwellers but also to lacks of tourist who come to Manali for their vacation.

Acknowledgement:

22 students and 2 teachers (NILADRI SEKHAR SINGHA AND SOMA DAS) were the mentors of this team. We would like to thank Dr. Shaikh Kamal Uddin Sir, Principal of our college, other department faculties (Rajib Das and Srabanti Boral), Dr. Shamim Bhar (Barser), Sri Prasanta Chakraborty (Accountant) and many more for their continuous support and help. At last obviously we would like to thank Taki Tour and Travel agency for taking care regarding our fooding , lodging, transportation and all round caring.
