Program Outcomes (POs) for Undergraduate Programme in Education

Graduates of the Undergraduate Programme in Education will be able to:

1. **Demonstrate Foundational Knowledge**
   Attain a comprehensive understanding of core concepts in education including its philosophical, psychological, sociological, and pedagogical foundations.

2. **Apply Educational Theories to Practice**
   Translate theoretical principles into practical strategies for effective teaching, learning, and assessment in diverse educational settings.

3. **Understand Learners and Learning Processes**
   Analyze the physical, cognitive, emotional, and social development of learners, with sensitivity to individual differences and inclusive needs.

4. **Promote Constitutional and Human Values**
   Internalize and advocate values enshrined in the Indian Constitution such as democracy, equity, secularism, justice, and respect for diversity through educational practices.

5. **Critically Analyze Educational Policies and Practices**
   Evaluate contemporary educational issues, policies, and reforms in light of historical, philosophical, sociocultural, and economic contexts.

6. **Engage in Reflective and Lifelong Learning**
   Develop habits of critical reflection and continuous learning to respond effectively to the dynamic needs of learners and society.

7. **Integrate Technology and Innovation in Education**
   Employ appropriate digital tools and innovative pedagogies to enhance learning experiences and accessibility.

8. **Conduct Research and Data Analysis**
   Apply research methodology, statistical techniques, and data analysis skills to investigate educational problems and inform decision-making.

9. **Exhibit Leadership and Management Skills**
   Demonstrate the ability to lead, manage, and organize educational institutions and programs with ethical and professional integrity.

10. **Contribute to Sustainable and Inclusive Development**
    Recognize the role of education in achieving the Sustainable Development Goals (SDGs), particularly in promoting inclusive, equitable, and quality education for all.
